

Virtual Activity Ideas for Matches

- Set up a zoom call or face time each other and catch up on weekly events
- Teach your Little how to cook a simple dish from your own kitchen- have them cook along with you or try it next time!
- Introduce your pets to each other over facetime or zoom
- Play online video games or connect through xbox
- Read the same book and create your own mini book club and discuss (you could use a required reading book from Little's school as well)
- Help with homework
- Write a story together, start with an idea and take turns on how the story will go- have Little illustrate the story
- Write a song or rap together – have your Little perform it!
- Go on a scavenger hunt finding items in your own home and coming back to the video screen to show what you have found (you can find items of different colors, beginning with certain letters etc...) You can make a list
- Watch a movie virtually together and then review it with each other
- Have a work out session virtually or yoga session. Plan your own or look it up on you tube
- Have a make-up tutorial or hair styling
- Teach a dance or create one
- Do a painting tutorial together
- Play getting to know you game and ask questions to get to know each other's likes and dislikes
- Learn a language together
- Teach some fundamentals of a sport- how to throw a baseball or football

- Watch a game on TV together at the same time – NFL, MLB etc..
- Read the news, current events and discuss. Use local news as well.
- For older Little's – take a virtual tour of potential colleges online or research trade schools/careers
- Play hang man or Pictionary
- Have dinner together virtually
